

American Heart Association Fundraiser

February is American Heart Month!

Throughout the month, we will be featuring red velvet cupcakes, cake, whoopie pies, and more. A portion of the proceeds gathered from any red velvet sales will be donated to The American Heart Association to help with research, education, and patient care.

Associated with American Heart Month is **Go Red for Women!** February 2nd is *Wear Red Day*. Any customers who come in wearing red that day will receive a free coffee with the purchase of any dessert.

Let's work together to help raise awareness and fight America's #1 health risk!
